

Section 508 Accessibility Statement

Rogers, Wicker Rykman & Spedale LLC dba EDO Consulting is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards to our information and communication technology (ICT).

Conformance Status

Our goal is to conform to the [Web Content Accessibility Guidelines \(WCAG\)](#) 2.1 Level AA standards, as well as the Section 508 standards issued by the [U.S. Access Board](#), which require federal agencies to provide individuals with disabilities access to electronic and information technology.

Accessibility Features

We strive to ensure our digital products feature:

- Descriptive alt text for non-text elements.
- Proper heading structures for screen reader compatibility.
- Sufficient color contrast.
- Keyboard navigation capability.
